# WARM COMFORT

 Nada melhor do que encontrar uma toalha seca e aquecida depois de um banho relaxante. A CRISMOE desenvolveu a linha Warm Comfort de toalheiros térmicos, que garantem esse prazer aliado a eliminação dos odores de umidade. Com dois tamanhos, fixos ou portáteis (podendo ainda ser convertidos posteriormente, através de kits), contam com facilidades como poderem ser dobrados e serem simétricos (podem ser instalados à direita ou esquerda). E tudo isso com baixo consumo de energia. Você e seu banheiro merecem esse conforto!

 Nothing better than finding a dry and heated towel after a relaxing bath. CRISMOE has developed the Warm Comfort range of thermal towel rails, which guarantee this pleasure combined with the elimination of moisture odors. With two sizes, either fixed or portable (they can also be later converted through kits), they can be folded and installed to right or left side). And all this with low power consumption. You and your bathroom deserve this comfort!

# STAR DUST PLUS

SWAROVSKI ELEMENTS

É considerada como parte do DNA da Crismoe. Os produtos desta coleção têm o equilíbrio perfeito de uma joia, insinuante e pronta para “vestir” com brilho a mais sofisticada sala de banhos. O nome “poeira de estrelas” traduz os quinze elementos Swarovski cravados no lado esquerdo desses produtos. Desde o ano de 2005 ela brilha entre as criações mais emblemáticas da Crismoe, sempre prestigiada pelos nossos clientes mais exigentes.

It is considered part of Crismoe's DNA. This collection's products have the balanced luxury of a jewel, sleek and ready to “wear” with glow the most sophisticated bathroom. The name “Star-dust” translates fifteen Swarovski elements placed on the left side of these products. Since 2005, it shines among the most emblematic of Crismoe creations and always honored by our demanding customers.

# TREND

 Os traços retos, quadrados, simples e harmoniosos são frutos das mais recentes tendências mundiais em acessórios para banheiros. As mais novas séries da Crismoe acompanham com muito brilho essa tendência. É o caso também da coleção Trend, cuja base quadrada é "cortada" por uma barra retangular. Simplicidade e minimalismo impactantes!

 Straight, square, simple and harmonious lines are the result of the latest global trends for bathroom accessories. The newest of Crismoe's series follows this trend with much glow. So it is the Trend collection, whose square base is "cut" by a rectangular bar. Impactful simplicity and minimalism!

# TWICE

 Também do grupo premium da Empresa, a linha Twice é uma criação original, destacando-se de tudo o que existe em acessórios para banheiros. São duas barras retangulares deitadas sobre um perfil quadrado, simetricamente perfeitas. Não só a originalidade, mas também o grande efeito decorativo fazem da Twice uma das estrelas Crismoe! A coleção Twice tem uma peça original, a saboneteira de apoio para cubas de 30, 35 e 40 cm.

 Also from our premium group collections, Twice line is an original creation completely different from any other ordinary bathroom accessories. There are two rectangular bars lying on a square profile with perfect harmony and proportion. Not only originality but also great decorative effects make Twice one of the Crismoe's stars! Twice collection also has a unique part, the soap dish for lavatories with 30, 35 and 40 cm long.

# QUADA

 A Quada possui todos os predicados da coleção Round uma vez que também é prática, é simples e é cúmplice, pois combina com todas as coleções da Crismoe que possuem perfil quadrado. Com muito “appeal”, coloca em sua sala de banhos ou no lavabo aqueles produtos que os completam com utilidade, bom gosto e estilo. A modernidade aliada a recursos inteligentes para dar mais vida e personalidade a seu ambiente mais íntimo.

 Quada line has all the predicates of Round line, since it is also functional, simple and complicit, as it matches with all Crismoe’s square shape collections. With a lot of “appeal”, it puts in your bathroom or toilet those products that complement them with utility, taste and style. Modernity combined with smart features to give more life and personality to your most intimate environment.

 Quada posee todos los predicados de la colección Round una vez que también ES práctica, sencilla y cómplice, por combinar con todas las colecciones de Crismoe que presentan perfil cuadrado. Con mucho “appeal” aplica a su cuarto de baño o su lavabo los productos que los completan con utilidad, refinamiento y estilo. La modernidad aliada a recursos inteligentes para dar más vida y personalidad a su ambiente más íntimo.
